

# CommUnity

By Yoosup Song, Joel Matthew, Selena La

01

Why?

Whats our reason for creating this?

# Inspiration

- Finding clubs at college
- Life outside academics
- Lack of resources

# Our Solution

- Platform for discovering communities for you
- Helps users create informed decisions
- Encourages users to get involved with their community

Our goal is to better inform users about different **communities** and **opportunities** for engagement.

# Our Tech Stack

## Vue.js

Lightweight, responsive,  
single-page reloading

## Express.js

Custom REST API

## MongoDB

Data storage, flexible,  
scalable, cloud storage

## Tailwind CSS

Sleek, modern, playful  
design

## Node.js

Server-side  
development

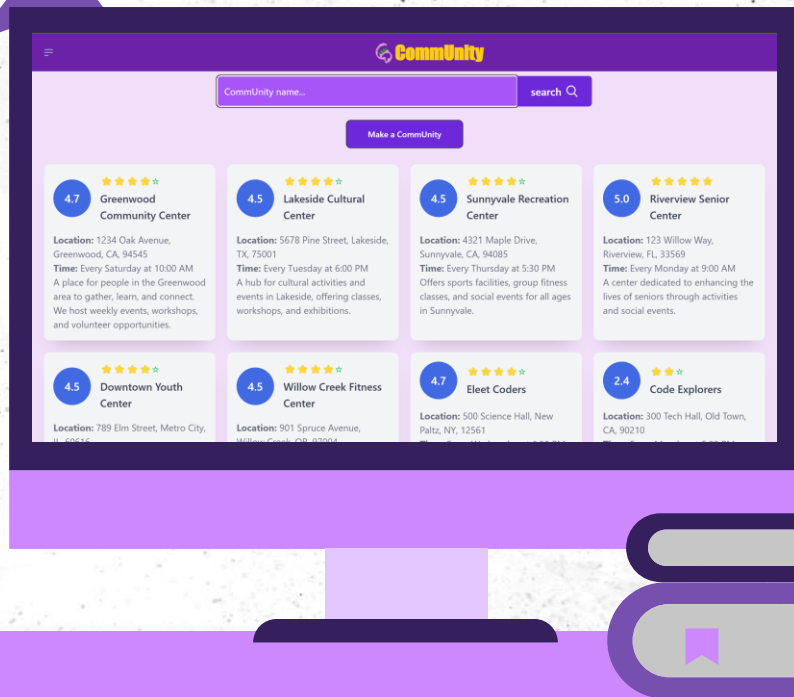

## Mongoose

Structured, safe,  
mongoDB integration

# Product demo

# Our Plan for the future

AI/ML model to calculate  
interest

Integrate with  
schools

2025

2025

2026

2035

Implement tags  
And profiles

AI/ML model to  
calculate  
interest

# Thanks!
